

Inside Lifestone

(218) 481-7306

Exploring the Zoo

We made wonderful memories at the zoo! Our residents and staff enjoyed exploring the exhibits, learning about different animals, and sharing plenty of smiles throughout the day. We even ended our adventure with a snack and a visit to the gift shop!

Getting Creative

Creativity was on full display during our painting activity! Everyone enjoyed choosing colors, creating their own masterpieces, and having fun together.

Fresh from the Garden

Our garden has been blooming beautifully, and we've been enjoying picking fresh fruits and vegetables right from the garden. It's been wonderful watching everything grow and enjoying the delicious rewards of our hard work together!

A Day at the Hoghead Festival

We had so much fun at the 2026 Proctor Hoghead Festival! We enjoyed classic cars, community fun, and taking part in one of Proctor's favorite traditions. It was a wonderful day spent enjoying the festivities together!

Whisking up Fun

The kitchen was filled with delicious smells and plenty of smiles while baking together! From preparing the ingredients to enjoying the finished treats, it was a sweet time.

Basketball Showdown

The competition got pretty serious at Lifestone! The game even went to a tiebreaker because we have some serious basketball pros in the house. A little friendly competition made for a lot of fun!

Beach Ball Toss

A little friendly competition made for a lot of fun during our beach ball toss! It was a great way to stay active, enjoy some laughs, and spend time together.

Yahtzee Time

The dice were rolling during our Yahtzee game! Everyone had a great time enjoying some friendly competition and cheering each other on.

Wishing Adaeze Well

We celebrated Adaeze as she wrapped up her summer with Lifestone and prepared to return to college. We're grateful for the kindness and positive impact she shared with our clients and team.

Lifestone Joins the Walk to End Alzheimer

Lifestone is still accepting donations in support of the Alzheimer's Association. Alzheimer's disease affects individuals, families, and caregivers, making awareness, support, and research so important. You can show your support by purchasing Promise Flowers or donating online using the QR code below. Thank you for your generosity and for helping make a difference!
